Elaborate Celebration-Parade and Fireworks-Serious Loss by Fire.

Special Correspondence.

Brigham City, Boxelder Co., July 5.—
The citizens of Brigham City showed their patrictism by an enthusiastic celebration of our nation's birthday. The first rays of morning light revealed "Old Glory" everywhere floating in the breeze, and there was a continuous roar or artillery until 9:30 a. m., when a procession consisting of Uncle Sam in a carriage, drawn by a shetland pony, the military band, city officers in an artistically decorated conveyance, Goddess of Liberty, with 13 little maidens in a beautiful float, and 400 schoolchildren carrying flags, was formed at Central school grounds, and moved down Main street to First North, where, countermarching, it returned to the tabernacle. At 10 a. m., the tabernacle was completely filled with people of this city and adjacent settlements. Hon. F. W. Fishburn was master of ceremonies and an excellent program was presented, consisting of music, songs, speeches and sentiments.

In the afternoon there were athletic sports of all kinds, and a game of ball was played by the Brigham and the Fremont boys, which resulted in victory for our home team.

A display of fireworks on Reservoir hill closed the celebration, but did not end the excitement, as the dry grass caught fire and the flames were borne on the wings of the wind toward the city. The fire brigade, aided by many young men, fought, the flames and finally succeeded in stopping their progress, but not before they had reached the cemetery, and done some dreached.

Sunday afternoon President Francis M. Lyman and Elder Thomas Hull addressed the Saints in the tabernacle, and in the evening spoke to a conjoint assembly of the Mutual Improvement associations.

A NAIL IN HIS BRAIN.

The physicians in a Vienna hospital The physicians in a vienna nospitation once made the remarkable discovery that a patient dissected there had carried a rusty nail about in his brain. It was black and corroded and from all appearances must have held its singular lodgement since the man's child-back.

Suffering

Will Not Help Your Disease, but Will Weaken Your Nerves.

Folks who think it is better to bear pain than soothe it—are wrong. Old-fashioned doctors used to say it was better, because they had nothing with which to ease pain but dangerous, heart-paralyzing drugs.

But now, that a safe remedy has been found. Dr. Miles' Anti-Pain Pills, it is wrong to suffer, for nothing can be gained but weakened nerves. A safe rule to remember is: When in pain, take an Anti-Pain Pill.

This will soothe your quivering nerves. Dr. Miles' Anti-Pain Pills relieve pain by restoring the natural secretions, in which they differ from opium and similar narcotic drugs, which relieve pain by checking the action of the glands. They are sure and harmless, and are the latest medical treatment for the cure of Headache, Neuralgia, Backache, Rheumatism, Dizziness, Toothache, Stomachache, Menstrual (Monthly) Pains. Also nerve irritations like Sea-Sickness, Car-Sickness, Sleeplessness, Indigestion, etc.

Pleasant to take, quick in results "I have used Dr. Miles' Anti-Pain Pills for sick, nervous headache, and have received the best results. I heartily recommend their curative properties, for they are successful." AEV. RAY A. WATROS, D. D., Jowa City, Ia. Said by druggists, at 25c. Money back if first box does not help. Cheap Doctors

They never pay. Don't employ them. Get the best and pay the price. Cheap doctors don't recommend Ayer's Cherry Pectoral. The best doctors do. They prescribe it for fresh colds, old colds, easy coughs, hard coughs, weak lungs, bronchitis, even for consumption.
